GLOVERSVILLE, N.Y. – Oct. 6, 2016 – Taylor Made Products introduces Admiral’s Choice Products. For over 100 years, Taylor Made has been making marine products that boaters have always been confident in using to protect their investment. Taylor Made is proud to present Admiral’s Choice products.

“Taylor Made developed the Admiral’s Choice line to provide the best protection for your boating products,” said David Karpinski, vice president of sales and marketing for Taylor Made Products.

The Admiral’s Choice line consists of super duty inflatable yacht fenders. Now 30% heavier material and 15% higher tensile strength compared to the competition.

Next, premium removable chafe guards designed to extend the life of your dock lines. Constructed from 1050 denier ballistic nylon with excellent wear ability, the chafe guard comes in 2’, 3’, and 4’ lengths.

Finally, our superyacht fender covers and premium fender covers for Tuff End Buoys. Extend the life of your fender and buoy with the heavy duty covers. Built to take the wear and tear and made to last. Both available in two popular colors: black and navy.
