TAYLOR MADE PRODUCTS TO DISPLAY AQUATIC PATTERNS LINE AT IBEX 2016

GLOVERSVILLE, N.Y. – Oct. 6, 2016 – Taylor Made Products introduces Aquatic Patterns. For over 100 years, Taylor Made has been making marine products that boaters have always been confident in using to protect their investment. Taylor Made is proud to present a new line of Aquatic Patterns gear for everybody to enjoy.

“Taylor Made developed the Aquatic Patterns line for everyone; the boater, beach goer, or park sitter,” said David Karpinski, vice president of sales and marketing for Taylor Made Products.

The Aquatic Patterns line is comprised of stow n’ go tables and chairs, collapsible coolers, cooler totes, travel coolers, dry bags, steering wheel covers, waterproof phone cases, and lanyards in three stylish colors: Large Mouth Bass, Blue Sonar, and Gray Sonar.

Karpinski stated, “We are very excited about our new line of products and can’t wait until they hit the store shelves!”

The whole line products are designed to be easily transportable, small, and convenient. Made to withstand all day lounges at the beach, or keeping your belongings dry and safe from the elements.
