TAYLOR MADE PRODUCTS TO DISPLAY DOCK CUSHIONS AT IBEX 2016

GLOVERSVILLE, N.Y. – Oct. 6, 2016 – Taylor Made Products introduces Dock Cushions. For over 100 years, Taylor Made has been making marine products that boaters have always been confident in using to protect their investment. Taylor Made is proud to present Dock Cushions.

“Taylor Made developed the Dock cushion to provide safety for your boat, and we added lights to provide guidance while boarding or disembarking at night,” said David Karpinski, vice president of sales and marketing for Taylor Made Products.

The dock cushion is soft compressible foam. Foam plugs are supplied to give the bumper a clean, finished look. Designed for both horizontal and vertical mounting, dock cushions are pre-drilled and ready to mount.

Also available with the dock cushion is the LED lighting inserts. We also designed the corner dock cushion to protect your boat from the sharp edges of the dock.
